We hope this letter is finding everyone healthy, safe and adjusting to the new ‘normal.’

Our foes are taking every opportunity to leverage this pandemic to eliminate cash bail and put every one of us permanently out of business. As you are aware, jails and prisons are under extreme pressure from outside sources to release inmates without bail to limit the exposure of Covid-19 and the new strains that are out now.

With that in mind, your membership renewal with the Coalition is due for the upcoming year. It has never been more important for us to stand together and address all the challenges that we are facing more than now.

We know that with the economy and our businesses facing an uncertain future that your membership dues may not be at the top of your list, but your dues are a small price to pay to make sure our voices are heard.

The challenges during the coming year will be great, but we must ensure that our businesses are here and strong for the future.

Please join with the Coalition in defeating the enemies of bail and protecting the future of the justice system and the rights of victims of crime to have their day in court.

As always, if you have any questions, please feel free to contact us at the office number above.
